Benito K Chukwuemeka

WEB DEVELOPER & DESIGNER

I design and build business websites, landing pages and web apps that make a business look credible and make it easy for a customer to get in touch. Fixed price, delivered in days, and you own everything.

WhatsApp +234 816 298 8462 **Email** Goldenvistaglobal@gmail.com **Based in** Nigeria · Clients worldwide

PROFILE

Self-taught web developer and designer. I build for clients here in Nigeria and internationally, and I do the work myself from the first message to the launch — no account managers, no handover to a junior. Seventeen live sites across ten sectors, plus six published book titles designed and produced in-house.

SERVICES & STARTING PRICES

SERVICE	FROM	DELIVERY
Landing page	**$250 · ₦350,000**	3–5 days
Business website	**$450 · ₦630,000**	1–2 weeks
E-commerce store	**$700 · ₦980,000**	2–3 weeks
Web app / platform	**$1,200 · ₦1,680,000**	3–6 weeks
Redesign & rescue	**$350 · ₦490,000**	1–2 weeks
Care plan	**$30 · ₦42,000 /mo**	Ongoing

Naira figures approximate at ₦1,400 to $1. Every project is quoted in writing before work begins.

SKILLS

HTML & CSS · JavaScript · Responsive design · UI & visual design · Landing page copy structure · E-commerce · Admin panels · SEO basics

HOW I WORK

- **You tell me what you need** — one message or a short call.
- **I build it** — fixed price, live preview link within days.
